I accept all responsibility for card transactions incurred by the named individual and will submit supporting documentation, as requested, for those transactions. ELECTION INSTRUCTIONS

Instructions for entering elections under each applicable benefit account type:

1. **Healthcare FSA Election:** The amount you expect to pay out-of-pocket toward eligible medical expenses throughout the plan year, which may include deductible and co-insurance portions of health insurance (NOT premiums), dental, orthodontic, and eye care expenses. Participants may elect a maximum based on the current IRS limits. Your employer's plan maximum may be less than the IRS maximum. Review your Summary Plan Description (SPD) for your specific plan maximum. Your election will be split into equal amounts to be deducted pretax from every payroll throughout the plan year. Your total annual election amount is available for reimbursement of eligible expenses on the first day of the plan year.
2. **Limited Purpose Healthcare FSA Election:** Amount you expect to pay out-of-pocket for dental and vision expenses throughout the plan year. Your total election amount is available on the first day of the plan year as expenses are incurred. Refer to your SPD for your specific plan maximum.
3. **Dependent Care FSA Election:** Amount you expect to pay out-of-pocket for eligible day care expenses for the Plan Year. The maximum allowable amount under IRS regulations is $5,000 per calendar year per family; $2,500 per calendar year for married individuals filing single. Plan funds are available as they are contributed.
4. **Non-Employer Sponsored Premium (NESP) Election:** The total annual out-of-pocket cost for privately purchased (individual) insurance *premiums* such as health, disability, and cancer insurance. Other medical expenses are not eligible under the NESP Plan. Examples of insurance premiums NOT eligible are employer-sponsored group insurance (premiums deducted from your paycheck or your spouse's paycheck), life insurance, long-term care insurance, and premiums for coverage under the federal exchange "Marketplace" program. Please note, when disability premiums are pretaxed, the benefits received are taxable. NESP is not subject to contribution limits unless otherwise set by your employer but is subject to the 'Use it or Lose it' rule in which unused funds are forfeited at year-end. Plan funds are available as they are contributed.

IMPORTANT NOTE:
How Cafeteria Plans affect Social Security Benefits: Reduction of your Social Security benefits will be minimal and is offset by the tax savings and lower healthcare costs available under an FSA. To compensate for this minimal reduction, you may consider increasing your retirement plan funding.
