

13. MACBOOK AIR COMPUTER PROTECTION

Brandon Valley School District

The Brandon Valley School District recognizes that with the implementation of the iInvest Initiative there is a need to protect the investment by both the District and the Student/Parent. The following outlines the various options for insurance coverage.

INSURANCE OPTIONS: Student/Parent must commit to one by checking the appropriate box.

No Insurance: You agree to pay for the replacement of the MacBook Air computer at a cost not to exceed \$1,199.00 should the computer be stolen, lost, or damaged.

Personal Insurance: You will cover the MacBook Air Computer under your own insurance policy in the case of a theft, loss, or damage. You agree to pay the District the amount received from your insurance company plus any additional amount needed to cover the computer replacement not to exceed \$1,199.00.

School District Protection You choose to pay the school district an annual protection payment for coverage of theft or damage in the amount of \$35.00 or \$70.00 for family coverage when there are two or more children in high school using MacBook Air computers. The \$35.00 payment is non-refundable. This annual coverage begins upon receipt of the laptop and insurance payment and ends at the end-of-year laptop collection.

ADDITIONAL INFORMATION: In cases of theft, auto accident, vandalism and other criminal acts, a police report, or in the case of fire, a fire report **MUST be filed by the student or parent** for the protection coverage to take place. A copy of the police/fire report must be provided to the principal's office.

INTENTIONAL DAMAGE: Students/Parents are responsible for full payment of intentional damages to the MacBook Air computer including negligence in the use and care of the computers. School District Computer Protection **DOES NOT** cover intentional damage of the computers.
