**CLASS OF 2025 ACADEMIC AWARDS** – The Senior Academic Awards Assembly is scheduled for **Wednesday, May 7**, at 10:20 a.m. in the Activities Center. During the assembly, we will be presenting academic letters, regent scholar certificates, presidential scholar certificates, and graduation honor chords, along with recognizing various other achievements of our students. Parents/Guardians/Grandparents are invited to attend this assembly. Graduates receiving one or more of the honors listed above received an email this afternoon.

**9<sup>th</sup> – 11<sup>th</sup> ACADEMIC AWARDS ASSEMBLY:** We will be hosting this assembly on **Friday, May 16**, to present academic letter awards. A student will qualify if the student's cumulative GPA is higher than 3.75 for the first three quarters and the student has no failing grades on any of the first three quarters. The assembly will take place from 9:55 -10:55 a.m. in the Activities Center. On Friday, May 2, we will notify students (and parents/guardians) who have earned academic letter award. We look forward to celebrating the many accomplishments of our BVHS students!

**9<sup>th</sup> – 11<sup>th</sup> SEMESTER TESTS:** The high school will administer semester tests on **Tuesday-Thursday, May 20 – 22**. The schedule for the three testing days along with semester-test reminders are attached to this e-mail. If a student has 3 tests in one day and would like to move a test for academic reasons, request forms will be available starting on Monday, May 12, and will need to be turned in by the end of the day on Monday, May 19. Student grades will be final and posted by noon on Friday, May 23. Mr. Paula will be communicating with juniors needing to appeal for semester text exemption in the coming days.

**Fall Dual Credit:** Students planning to take online dual credit courses in the fall are encouraged to enroll prior to leaving for summer break. Courses fill up fast and the likelihood of students getting into classes if they wait until August is not promising. Students must meet eligibility to apply. Information about Dual Credit from a 4-Year Public University can be found [here](#) and Dual Credit from a 2-Year Technical College can be found [here](#).
