

BRANDON VALLEY HIGH SCHOOL

Home of the LYNX!

PROFILE

BVHS is a four-year school enrolling 1,300 students in grades nine through twelve. The school day consists of eight periods of forty-nine minutes each. The maximum course load is 3.5 credits per semester. A minimum of 22 credits is required for graduation. Listed below is the breakdown of the three different types of grading scales utilized at the high school level. There is no weighting of grades, however a different grading scale is used to encourage students to enroll in Rising Scholars (college credit), Advanced Placement, and honors level courses when a traditional course could meet their graduation requirement. All students, regardless of courses taken, are evaluated and ranked on a 4.0 scale.
