The Board will, when it deems appropriate, appoint citizens' committees to counsel and assist the district in planning programs and projects.

The following policies will govern the appointment and functioning of citizens' committees:

1. The composition of a citizen's committee will be broadly representative and will take into consideration the specific tasks assigned to the committee. Members of the professional staff and board members may be appointed.
2. Each committee will be clearly instructed as to –
 - a. The length of time each member is being asked to serve.
 - b. The service the Board or Administration wishes the committee to render; the extent and limitations of its responsibility.
 - c. The resources the Board will provide.
 - d. The approximate dates on which the Board wishes to receive major reports.
 - e. Board policies governing citizens committees and the relationship of these committees to the Board as a whole, to individual Board members, to the superintendent and other members of the professional staff.
 - f. Responsibilities for the release of information to the press.
3. Recommendations of citizens' committees will be based on research and fact.
4. A school board possesses certain legal powers and prerogatives, which cannot be delegated or surrendered to others. Therefore, all recommendations of a citizen's committee must be submitted to the Board for official action.

The Board will have the power to dissolve any advisory committee and will reserve the right to exercise this power at any time during the life of any committee.
