<p>What do students need to do?</p> <p><a href="#"><u>Link to important video message</u></a></p> <p><a href="#"><u>Link to BV instructional video for week of April 13-17, 2020</u></a></p>	<p>Monday: No School</p> <p>Tuesday: During a snack time, have a paper with numbers 1-10 written on it and have your child write the number with their snack items (such as fruit snacks, cereal pieces, goldfish, etc). If your child needs a challenge have them do numerals 11-20!</p> <p>Wednesday: Take turns measuring your family members! Using a household item (such as shoes, play cars, Legos, etc.) have each family member lie down and measure how tall they are! Have your child count the items used to measure and write down the numbers. When finished discuss who is the tallest, shortest etc. based on your child's measurements.</p> <p>Thursday: 10 Frame Matching! Using your number cards and the 10 Frame template (or make your own!) have your child draw a number card and make that number in the 10 frame using any household item that will fit (buttons, coins, cereal, fruit snacks etc). Practice using numbers 1-10.</p> <p>Friday: Body Counting! Using a dice (or number cards) roll a number and then choose an action to do that many times! For example...if you roll (or draw a number card) 6...do 6 jumping jacks!</p> <ol style="list-style-type: none"> <li>1. jumping jacks</li> <li>2. hop on left or right foot</li> <li>3. toe touches</li> <li>4. arm circles</li> <li>5. shoulder shrugs</li> </ol>
