Signature Moves

<u>Overview:</u> In this project, you will brainstorm words or phrases that reflect your values, personality, and characteristics. You will then translate some of those ideas into four simple "signature moves" and create a dance using a sequence of these moves. *Complete what you are able to complete & make this project your own as needed!

Essential Question: How can you express something about yourself through movement?

Objectives:

- 1. Use movement as a language to communicate and express identity.
- 2. Organize your ideas to create an expressive sequence of movement.

Materials:

- Instructions & Storyboard, pencils/markers for brainstorming.
- Music selection (make sure it is school appropriate. Music suggestion: Kidz Bop. If you do not have access to music, you may sing or create your own beat.)
- (Optional) Camera to document student work.
 - Flipgrid to share your work: https://flipgrid.com/bcfb0330 (Upload by May 20 to be in the full Field Day video)

Part I: Engage Self-Reflection: Write Down 4 ideas

On the blank paper or Storyboard, write down 4 ideas: Think about what makes you unique, such as personality traits, hobbies, and interests.

What do I think is important to share about myself?

Part II: Create a Movement/Gesture for each idea

- THINK about a movement or gesture you might choose to demonstrate the meaning of your 1st word.
- On the "Storyboard" worksheet **DRAW** your unique word/phrase for each move. Include your background, culture & perspective. Be creative! Use emojis if you would like!
- (Optional) **TELL** us why you chose this word that makes you unique under your sketch.
- **PRACTICE** your "signature move" with movement for each word you have chosen to represent yourself. Repeat this process for the other 3 words that were selected.

Once all four "signature moves" are planned, string the moves together, performing or holding each move for a count of 8 (when you add music, you may choose to extend each move to a count of 16 if you prefer). The sequence would run like this:

- Move #1 repeat or hold as you count 1-2-3-4-5-6-7-8
- Move #2 repeat or hold as you count 1-2-3-4-5-6-7-8
- Move #3 repeat or hold as you count 1-2-3-4-5-6-7-8
- Move #4 repeat or hold as you count 1-2-3-4-5-6-7-8

You may wish to speak or sing the word/phrase that each move represents as you transition between them. Practice this sequence to the beat of the music, with either 8 or 16 counts per movement.

Part III: Perform/Present

After rehearsing, practice performing your "signature moves" dance routine by creating a video. If you would like to share, upload your video to this Flipgrid Link/QR code. If you share your video, the music <u>MUST be school-appropriate</u>. If it is not school appropriate, your video will be removed. (Suggested music: Kidz Bop). https://flipgrid.com/bcfb0330

Part IV: Respond & Reflect

- 1. Was it easy or hard to think about what makes you unique? Why?
- 2. What was it like to try to express these traits through physical movement? What was easy/difficult about this process?
- 3. If you repeated this process, what might you do differently next time?
