	<u>\$20,000</u>	
Other 20,000		1

DISTRICT OPERATIONS DEPARTMENT FY 2019-2020

Child Nutrition Services:

Additional staff will be required as the District's student population increases.

Custodial: 3.0 FTE

Additional staff will be required as the District's student population increases and the Buildings age. These team members would include additional staff at BE, FAE, and one split between the Central Office, Transportation, and the Middle School. It would also help alleviate some of the issues with finding substitutes

Grounds:

As the physical plant size of the District grows, additional staff will be required to maintain the grounds, including: landscaping, mowing, irrigation, snow removal, maintenance of playground equipment, etc.

Maintenance:

Print Shop:

Transportation:

Additional drivers will be required as the District's student population increases.
