2. A "reviewable issue" shall mean a claim by an employee that a dispute or disagreement of any kind exists involving interpretation or application of a policy of the Board of Education or a rule or practice of the administration or that an employee has been treated inequitably or that there exists a condition which jeopardizes employee health or safety. The term "reviewable issue" shall not apply to any matter for which the method of review is prescribed by law and shall not apply to any subject over which the Board of Education has no authority to act.
3. The term "days" when used in this article shall mean weekdays; thus, weekends or holidays are excluded.

#### **B. Purpose**

As problems arise, good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions in an atmosphere of good will, mutual respect, and candor. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise. These proceedings will be kept as informal and confidential as shall be appropriate at any level of the procedure.

#### **C. Procedure**

1. Level I
  - a. An employee with a reviewable issue will first discuss it with the employee's immediate supervisor with the objective of resolving the matter informally.
  - b. If the employee is not satisfied with the disposition of his/her claim, he/she may file a written request with the immediate supervisor within five days after the informal discussion. The written request for review shall state the particular policy, practice, rule, or unsafe conditions which form the basis of the request for review. The immediate supervisor shall hold a hearing with the parties in interest within five days after receipt of the written request for review and shall provide a written answer to the issue within five days after the hearing. The answer shall include the reason(s) upon which the decision was based.
  - c. If the employee is not satisfied with the disposition of the complaint the employee may within five days of receipt of the written decision, file a written request that the matter be reviewed by the next supervisor in the chain of command. (This step in the process is skipped if the Superintendent is the supervisor next in the chain of command.) The supervisor shall review the material concerning the dispute and may arrange for a hearing with the employee and/or the appropriate supervisor to obtain additional information or for investigation as required. Upon completion of the investigation, or hearing, the supervisor shall have ten days to provide a written decision. The decision shall state the reason(s) upon which it is based.
2. Level II  
If the employee is not satisfied with the disposition of his/her complaint at Level I, he/she may within ten days of receipt of the written decision request that the matter be reviewed by the Superintendent of Schools or, at the discretion of the Superintendent, his/her official designee. The Superintendent, or designee, shall review this material concerning the dispute and may arrange for a hearing with the employee and/or the appropriate supervisor to obtain additional information or for investigation as required. Upon completion of the investigation, or hearing, the Superintendent or designee shall have ten days to provide a written decision. The decision shall state the reason(s) upon which it is based.

3. Level III

If the employee is not satisfied with the disposition of his/her claim at Level II, he/she may within ten days of receipt of the written decision file a written request for review by the Board of Education. Such request must be made through the Superintendent at least ten days prior to the regularly scheduled Board of Education meeting at which the reviewable issue is to be considered. The Board of Education shall have the sole authority to determine whether further review is required and shall take one of the following actions at the next regular meeting of the Board following receipt of the employee's request for review: (1) Affirm or overrule the decision of the Superintendent of Schools, or designee, upon the information gathered during the previous proceedings. (2) Submit the matter for further hearing before the Superintendent or another officer designated by the Board of Education with the request for specific findings, conclusions, and recommendations within 45 days. Such findings, conclusions, and recommendations will be advisory only to the Board of Education. (3) Schedule a hearing before the Board of Education at a time to be determined by the Board. Following such a hearing, the Board of Education shall enter its findings, conclusions, and decisions within 45 days.

#### **D. General Provisions**

1. At all hearings provided for in this regulation, the employee shall have the right to question any witnesses presenting material relative to the matter at issue and shall have the right to present such witnesses as the employee may deem necessary to develop the facts pertinent to the matter. All documentary materials pertinent to the issue shall be made available to the employee. The employee may be accompanied at any of the hearings or fact-finding investigations by any advisor the employee deems to be appropriate or necessary.
2. No issue shall be recognized by the administration or Board of Education unless it shall have been raised at the first level within 60 days after knowledge of the facts which form the basis for the complaint; failure to do this will cause the right to appeal to be forfeited.
3. All the timelines specified above may be extended in writing by mutual agreement of the parties.

#### **HARASSMENT POLICY**

The school district is committed to providing a learning and working environment free from unlawful harassment. See Board Policy ACAA for further information.

#### **TITLE IX GRIEVANCE PROCEDURE**

Coordinator, Superintendent Jarod Larson

TITLE IX of the 1972 EDUCATION AMENDMENT prohibits discrimination on the basis of sex. It requires that:

No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance.

If an individual has a complaint of possible sex discrimination which has taken place in the Brandon Valley School District the following procedure has been adopted by the School Board to resolve all complaints at the lowest possible levels.

**Step 1:** The Title IX coordinator shall be responsible for explaining the entire grievance procedure to the complainant.

**Step 2:** The aggrieved person may file a written complaint containing information about the alleged discrimination on the basis of sex, the time that it occurred, the person apparently responsible for the discrimination, and whether or not it is a continuing form of discrimination. This written complaint shall be filed within 30 calendar days of a specific incident of discrimination on the basis of sex. The complaint shall be filed with the Title IX coordinator for the Brandon Valley School District.

**Step 3:** The Title IX coordinator shall attempt to conciliate the complaint with the immediate supervisor or other person apparently responsible for discrimination on the basis of sex. This shall be concluded within 30 days of the filing of the complaint. The Title IX coordinator shall keep a written record of investigations, attempts at conciliation and final disposition.

**Step 4:** If the complaint has not been resolved at Step 3, the aggrieved person may request a decision by the Title IX coordinator.

**Step 5:** If the attempt to conciliate has failed or the aggrieved person is not satisfied with the decision at Step 4, the aggrieved person may ask for a hearing with the Board of Education for a final disposition of the complaint.
