

School District Goal and Objectives

The goal of this school district is to accept responsibility for the development of each student into an adult who can, participate fully, learn continually and contribute meaningfully to our world.

Seven objectives that contribute to the achievement of this goal, listed without priority in arrangement, define desirable outcomes to be incorporated into plans for the school system:

1. Each student develops proficiency in state basic academic standards.
2. Each student develops the capacity to recognize and cope with the problems of an unknown future.
3. Development of meaningful interpersonal relationships among students, staff and community.
4. Staff, students and parents are afforded maximum feasible participation in the development and evaluation of programs and policies that meet the educational needs of each community.
5. Maximum efficiency in the allocation of material resources.
6. Maximum efficiency in the allocation of human resources.
7. Each student develops proficiency in the area of technology.
