

CHEATING

Teachers will take the paper of any student cheating on an assignment/project/test and give a failing grade for that task. Cheating may also result in detention or suspension at the discretion of the principal. Teachers should be alert to the possibilities of cheating, and will notify parents in all cases of suspected misconduct. Plagiarism (using another's work as one's own) will result in the same action by the teacher. Students selling assignments will be considered just as responsible for plagiarism as those buying the assignments.

Students who break and/or enter rooms, desks or files and take unauthorized materials (tests, assignments, answer keys, etc...) may be charged with vandalism.
