

## CONDUCT AT SCHOOL ACTIVITIES

**Assembly Programs, Plays, Concerts, etc.:** Students are expected to attend, listen and be courteous.

**Athletic Events:** School Spirit and Conduct: At any athletic event, spectators must conduct themselves with behavior consistent with good sportsmanship. Citizens of the Brandon Valley School District must share the responsibility, individually and as a group, for making our school the best school. School spirit is the result of all school citizens working and playing together to develop mutual courtesy, cooperation and pride.
