

LOCKERS

Each student is issued a locker and is expected to keep their books and personal belongings properly secured at all times. Combinations can be found on Student and Family Access on Skyward. Students should not exchange lockers or share their combination with others. Tape is not to be used on the lockers. Students are encouraged to utilize binders/Trapper Keepers as there is not enough time between classes for multiple trips to lockers.

The following rules apply to the search of school property assigned to a specific student (locker, desk, etc.) and the seizure of items in their possession:

1. Random locker, desk, or other storage space searches may be conducted by the administration.
2. General housekeeping inspection of school property, including lockers, will be conducted.
3. Illegal items (drugs, weapons, etc.) or other possessions reasonably determined to be a threat to the safety or security of others may be seized by school authorities at any time.
