

BOARD-SUPERINTENDENT RELATIONSHIP

The Board believes that the formulation and interpretation of policies is its most important function and that the execution of those policies is the function of the superintendent. Together, the Board and the superintendent are a team, each playing a well-defined position.

The superintendent will be the chief executive officer of the Board and will be responsible for the administrative and advisory functions of the Board. Planning, policy-making and evaluation are the functions of the Board.

The Board holds the superintendent responsible for the administration of its policies, the execution of Board decisions, the operation of the school programs, and for keeping the Board informed about school operations and problems.
