

PRELIMINARY DEVELOPMENT OF POLICIES

Proposals regarding school district policies and operations may originate from any of several sources: a parent, a student, a community resident, an employee, a member of the Board, the superintendent, a consultant or a civic group.

A careful and orderly process will be used in examining such proposals prior to action upon them by the Board.

Final action on such proposals, whatever their source, will be by the Board in accordance with its policy on policy adoption. The Board will take action on most matters on the basis of recommendations presented to the Board by the superintendent. The superintendent will base his/her recommendations on the outcomes of study and upon the judgment of the professional staff and study committees.
