

BOARD REVIEW AND APPROVAL OF REGULATIONS

The Board reserves the right to review administrative regulations at its discretion, but it will revise or veto such rules only when, in the Board's judgment, they are inconsistent with policies adopted by the Board.

Administrative regulations need not be approved by the Board in advance of issuance except as required by state law or in cases when strong community attitudes, or possible student or staff reaction, make it necessary or advisable for the regulation to have the Board's advance approval.

Before issuance, regulations will be properly titled and coded as appropriate to subject in conformance with the codification system selected by the Board. Those officially approved by the Board will be so marked; all others appearing in this manual will be considered approved provided they are in accordance with the accompanying Board policy.
