

## ADMINISTRATIVE COUNCILS, CABINETS, AND COMMITTEES

The superintendent may develop and lead such permanent and temporary councils, cabinets, School Board committees, and committees as he deems necessary for proper administration of the school district program.

The groups established or authorized by the superintendent may be ad hoc (for the purpose of studying a particular issue) or may be commissioned to assist in a broad range of studies. Groups will be advisory in nature and will be subject to the same general guidelines on research, and release of information as established for groups advisories to the Board.
