

## SCHOOL YEAR/SCHOOL CALENDAR

The school calendar will be prepared by the superintendent and submitted to the Board for approval prior to July 1. The school calendar will meet or exceed the minimum number of instructional hours (962.5) required by law.

The calendar sets forth the days schools will be in session, holidays and vacation periods, in-service training days, teacher orientation days, and days of reports to parents, and other such designations as the superintendent or Board deems appropriate.
