

Administration of Medical Cannabis to Qualifying Students

Any request to administer a student medical cannabis will require the following: The student must be a medical cannabis cardholder; a copy of the valid medical cannabis card must be on file with the school; only the registered designated caregiver(s) shall administer medical cannabis to the student; only non-smokable medical cannabis may be administered; and medical cannabis is not allowed to be stored on school property. All documentation required in Administrative Rule must be on file with the school prior to the administration of medical cannabis on school property and any change to the student's medical cannabis cardholder status must be reported to the school.
