

TOBACCO-FREE SCHOOL POLICY

The Brandon Valley Board of Education recognizing that the Surgeon General of the United States has stated that tobacco products, and tobacco smoke pose a serious threat to the health and well-being of the district's students, employees and patrons, and knowing that these products are detrimental to a healthful and effective operation of the schools, here adopts the following policy:

1. The use of all tobacco products is forbidden in all school buildings, in all school vehicles, and in the bleacher area of the high school stadium inside the fence.
2. This policy applies to all persons regardless of age and regardless of whether they may legally use the products.
