

RELATIONS WITH COLLEGES AND UNIVERSITIES

The Board desires that staff and students of this school district benefit in every feasible way from resources provided by the colleges, universities and technical schools in our area. The superintendent is to keep the Board informed of all opportunities for shared and cooperative services between the district and institutions of higher learning. Additionally, staff members are encouraged to seek out and utilize the services of college and university faculty members who are willing to serve our schools as instructional resource persons.
